Bruno Segre, September 2018, and members of EBCO – Board

Dear Friends,

On Tuesday 30 January 2024, there will be the funeral of our old friend Bruno Segre in Torino (Italy). He died at the age of 105.

At the EBCO Meeting of 2018 in Torino (Italy), we had the pleasure to celebrate his 100th birthday; he participated to our meeting and EBCO has given him a diploma for his commitment in the defence of the right to Conscientious Objection (see attached photograph).

Bruno Segre was lawyer and journalist and was active in many associations for the promotion of civil rights.

He has defended CO Pietro Pinna in military court in 1949, this trial had a strong impact in media and politics. From then he became the lawyer of 1000 CO's.

Many thanks to Bruno Segre.

Sam
