Dear members of the Platform Peaceful Conflict Transformation,

We warmly invite you to the second session of our **Lunch & Reflect event series** (this time in english).

In this session, **Dr. Siddharth Tripathi**, University of Erfurt, editor of the forthcoming "Handbook on Peace and Conflict Studies: Perspectives from the Global South", will share insights into how Peace and Conflict Studies have been shaped by perspectives from the Global North(s) and what impact this has on knowledge production and peacebuilding efforts in Africa, Latin America, and Asia.

Join us for an engaging discussion on reshaping peacebuilding knowledge and practice!
